Warranty Disclaimers

1. Wood characteristics that are inherently associated with a wood species. Each wood specie exhibits its own distinctive pattern and characteristics which adds to its natural beauty.

2. Color variations. This warranty does not cover the natural aging and darkening of the wood color, nor does it apply to the inherent growth characteristics of the wood. As with other natural materials, wood is affected by environmental factors such as natural and artificial lighting. Darkening or mellowing of the wood can be expected and is a natural process of wood.

3. From time to time, we will change design, specifications and materials, as conditions require and improvements are developed, but we have no obligation to incorporate such changes in products we previously manufactured.

Warranty Performance

Koch & Co., Inc may elect to repair or replace any Koch Cabinet product covered by our warranty. Should defects in material or workmanship exist during this warranty, Koch & Co., Inc. will elect at its discretion to either repair or replace the defective material or component, excluding labor costs. This warranty covers only parts and materials supplied by Koch & Co., Inc., and does not cover costs for removal or installation of counter tops, plumbing fixtures, appliances or related materials, or labor costs. Natural and environmental factors will affect cabinet products over time: therefore, Koch & Co., Inc. cannot be responsible for replacement products that may not exactly color-match installed product.

Some states do not allow exclusions or limitations of incidental or consequential damages, so the above limitations or exclusions may not apply. This warranty gives you specific legal rights, and you may also have other rights.

The Midland Series is designed to be an entry level/stock cabinet line and may have slight imperfections that will be visible. This is an acceptable characteristic of this economical line and will not be a reason for replacement.

This warranty is in lieu of all other warranties expressed or implied.
